

Summer Lottery 2025 promotion fact sheet

Offer type	Lottery																																																							
Description	During the promotion period, traders can earn virtual lottery tickets by making net deposits and trading. Each ticket qualifies the trader for the weekly draw in the week it is earned, as well as the grand prize draw. The more a trader deposits and trades, the more tickets they receive — and the higher their chances of winning. There is no limit to the number of tickets a trader can earn.																																																							
Net deposit / trading requirements	<p>1. Trader is eligible to earn one virtual lottery ticket for every 30,000 JPY / 200 USD / 175 EUR / 260 SGD net deposit and 2.5 lots traded. Both conditions must be met to earn tickets.</p> <p>2. Additional virtual tickets can be earned by reaching the net deposit milestones listed below. Each milestone can only be reached once, and the client will receive the corresponding tickets for each completed milestone.</p> <p>2.1.
